**Do hereby resolve:**

**THE CHURCH**

- To involve the youth in decision-making that affect them.
- To empower the youth with the necessary skills and resources to embark on the church’s mission of evangelization.
- To keep in mind the call of the Catholic Youth Organisation for the appointment of a National Chaplain for the organization.

**THE STATE**

- To put in place structures which will encourage the youth to go into entrepreneurship.

- To put in place policies to ensure ready market for agricultural produce which will serve as motivation to the youth who want to enter into agro production.
- To make the government's policy on youth in agriculture attractive for the existing youth structures in the church to access.
